

**EVERY THREE SECONDS**, someone in the world develops dementia. **Integrace** and **The Integrace Institute** are proud to announce that we are a featured organization in **"Every Three Seconds,"** an innovative video project produced by **Alzheimer's Disease International** and **ITN Productions** to showcase organizations around the world that are transforming the lives of those living with Alzheimer's disease and related dementias.

**Join us** for a screening of "Every Three Seconds," followed by a panel discussion led by Dr. Tabassum Majid, Executive Director of the Integrace Institute. Hear from experts and caregivers on:

- Dementia Prevalence Around the World
- Innovations in Research
- Prevention and Healthy Living

Admission is FREE. Please register at:
